Crown and Bridge work when properly made and thoroughly fitted to the mouth is a comfort for life, and the only kind of Crowns and Bridges to have in the mouth are those that fit and are thick enough to withstand the wear and tear of years. This latter is the kind we always put in for our patrons and all made of standard 22-K gold. Our single Crowns are made to be an exact copy of the natural tooth with some improvements. The number of our satisfied patrons is increasing each day, which shows our work is appreciated by them, and they are sending their friends, which is the best recommendation an office could have.

SUFFERED EVERYTHING

For Fourteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Elgin, Ill.—"After fourteen years of suffering everything from female complaints, I am at last restored to health. I employed the best doctors and even went to the hospital for treatment and was told there was no help for me. But while taking Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use until I was made well."

—Mrs. HENRY LEISEBERG, 743 Adams St., Kearneysville, W. Va.—"I feel it my duty to write and say what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from female weakness and at times felt so miserable I could hardly endure being on my feet. After taking Lydia E. Pinkham's Vegetable Compound and following your special directions, my trouble is gone. Words fail to express my thankfulness. I recommend your medicine to all my friends."—Mrs. G. B. WHITTINGTON.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
